

Who I Am

I am a proud husband, father, resident and homeowner.

I share the same concerns, and issues that you as a constituent face each day.

I Promise to work with You and On Your Behalf To:

- Keep money in your pocket and help businesses succeed by pushing for more efficient government use of tax revenue instead of tax increases on homes and businesses. Encourage responsible growth to provide better opportunities.
- Take a hard-line stance on gridlock by delivering projects like the rapid bus transit system on Hurontario and improving existing road conditions in the Ward. The traffic in our Ward is taking away from valuable family time and impeding the growth of local businesses.
- Improve our lifestyle and surroundings by investing in existing Community Centers, parks and bike paths. We deserve and need facilities that are constructive, user-friendly and accessible to all.
- Treat all citizens with the dignity and respect they deserve. We must support and rally behind the community stakeholders that provide our desperately needed social services. We must speak in ONE loud voice to get our fair share in Peel!
- Advocate for safe and clean neighbourhoods. It is imperative that we foster a culture of prevention, youth outreach & mentoring, sustainable environmental policy, and crime prevention.

Whether it's community improvement initiatives, the provision of services, or residential and commercial taxation, I believe, I bring the right experience and knowledge to bring fresh ideas and solutions to the issues that matter the most in Ward 5.

Experience and Accomplishments:

- A dynamic entrepreneur with a proven track record to think out of the box and solve problems.
- International and domestic business development and speaking experience.
- Rotarian for more 25 years, serving at the district level
- Mississauga Rotaract and District Chairman
- Awarded the prestigious Rotary Paul Harris Fellow - 1996
- Rotary Day at the United Nations Chairman.
- Past Chairman of D.A.R.E. Canada

Bringing Communities together to build a better Community!

With your permission, I want to represent your voice at city hall with tireless enthusiasm.

No false promises. No rhetoric. Just plain hard work!

24/7 open line of communication with the constituents of Ward 5.

It's time for **A FRESH Voice** at Ward 5.
