### Mobeen's victory in Ward 5 would mean:

- Expansion and improvement of existing community health centres as well as public health and community services work to get approval for other health centres focused on the specific needs of the diverse population in Ward 5, especially in Britannia and Malton areas.
- Focus on Ward 5 development
- Fiscal responsibility and explore ways to reduce taxes including review of excessive salaries and perks and reduction of waste
- Making City of Mississauga a model employer
- Improve Sports and Park facilities and ensuring child friendly streets
- Work for getting housing grants
- Improve municipal services for seniors
- Lobby to bring more Provincial Funding to Ward 5
- Mobeen will push for more effective Neighbourhood Watch and municipal sponsored citizen committees to improve the level of safety and security.
- In addition, to bolster safety and security Mobeen will lobby for more inclusive policies in police-citizen committees
- Lobby to include Mississauga's diverse population in government bodies and citizen associations to reflect true representation of the community
- Work for grants to support Ward 5 Community e.g. food banks
- Improved Traffic and parking planning
- Mobeen will promote the idea of better linking of existing public transport services with GTA public transport infrastructure e.g. GO Transit and intercity linkages e.g. with Brampton, Toronto, Milton, Oakville, etc.
- Explore ways to legalize accessory residential units
- Beautification of existing parks and expansion
- Improve garbage services
- Support local businesses/ job creation
- Push for skills development to capitalize on our most valuable resource i.e. the people of Ward 5
- Attract employers through improved policies

- Seek community counselling e.g. for integration/assimilation, debt relief, job searches, ESL etc.
- Improve Animal services
