

Steve Bator Platform Statement:

**I will stand up for you the tax payer first!**

The issue – Mississauga's main source of tax revenue over the past was land development fees. These are coming to an end as vacant land is no longer a commodity in Mississauga. By assessing city efficiencies I will work towards streamlining city staff without cutting services.

**I will work at bringing our Community closer together!**

Our community, Ward 5 is a very diverse Mississauga Ward, Heartland, with a central Mississauga proximity and Malton in the North East Corner of Mississauga. There is a residential gap made up of the Pearson Airport and a high concentration of industrial development in-between. I have great respect for all our diverse nationalities, cultures and religions here in Ward 5. With your support I will be looking for ways of opening up our diverse cultures to all of Mississauga, and each other. This would include more involvement and more sponsoring of local community cultural events.

Front line workers Ems, Fire Department and Police Services hold my highest level of respect. I would like to see, through savings gained in efficiencies in city administration, an increase in community police service outreach programs where warranted.

**I will have a bridge built on Goreway Dr. over the CN train lines to put an end to end unexceptable 15 minute waits.**

My commitment to you is to resolve the horrific rail obstruction along Goreway Drive. By having a bridge built over the rail lines there is no reason why we should have to wait for over 15 minutes as slow freight trains pass by. I am dedicated to resolve this issue.

Bio:

I'm 46 years of age married with two children, one in University one in high school. I've been fortunate to give my wife the option of staying at home to help hold down the fort since our children were little babies.

I am a Licensed Tool and Die Maker/ Licensed Mould Maker and have worked for Magna International for over the past 12 years. I have also taught at George Brown and Seneca College in the areas of my field for over 5 years while working an average 6 day week with Magna. My family and I originally moved from West Rexdale over 13 years ago to the Meadowvale area where we have resided ever since. In 2010 I ran for Dufferin Peel Catholic School Trustee. I developed a strong connection with our community. I am very proud to be part of our diverse community here in Mississauga.

Thank You

Steve Bator
